

EnduraliteLED™

## THE POWER OF CLEAN EFFICIENT LIGHT

Features latch-free basket for fool-proof reliability! Zero moving parts!

### DESCRIPTION

An attractive center diffuser 2x2/2x4 direct/indirect linear LED fixture. The DID-M utilizes a white opal acrylic diffuser to provide a higher lumen, soft, balanced illumination for a contemporary appearance and comfortable, low glare light.

The housing and lamp compartment are fully recessed above the ceiling plane, minimizing lamp exposure. The perforated baffle and curved reflector produce a combination of direct and indirect light, fully illuminating the fixture housing.

### LAMPS AND DRIVER

Color Temp:	3000k
	4000k
	5000K
	6000k
CRI:	82
Efficacy	120 lms/watt
Driver THD	10.25%
Warranty	5 years
